Where Do You Put Gear

Adding Gear to a Game. To use this feature, log into your Roblox account, go to the Catalog and browse by Gear. Find one that you would like to sell on your game's details page and click on it. There, you'll find a blue button that says Add to Game below each eligible item's pricing information.

Add Gear to Game - Roblox Support

Put on NIOSH-approved N95 filtering facepiece respirator or higher (use a facemask if a respirator is not available). If the respirator has a nosepiece, it should be fitted to the nose with both hands, not bent or tented. Do not pinch the nosepiece with one hand. Respirator/facemask should be extended under chin.

Using Personal Protective Equipment (PPE) | CDC

To determine what you need to bring on a day hike, think about how far you plan to hike, how remote the location is and what the weather forecast has in store. In general, the longer and/or more remote the hike is and the more inclement the weather, the more clothing, gear, food and water you're going to want.

Hiking Checklist: What to Bring on a Hike | REI Co-op

Step One: Put the Phone in the Gear VR. This may seem like a no-brainer, but putting the phone in the headset can be a bit confusing the first time you do it. Unlike some other VR headsets, Gear VR actually requires a physical USB connection to the phone. And since it's designed to fit snugly, it doesn't work with a case on the phone.

How to Set Up and Use Samsung Gear VR

In a rack and pinion gear, a slowly spinning gear wheel (the pinion) meshes with a flat ridged bar (the rack). If the rack is fixed in place, the gear wheel is forced to move along it (as in a railroad). If the gear is fixed, the pinion shifts instead.
