In Jay's words, Youtility is useful marketing from the perspective of customers. It can be defined as: "... massively useful information, provided for free, that creates long-term trust and kinship between your company and your customers."

Youtility: Why Smart Marketing is about Help not Hype ...

Why Smart Marketing is about Help not Hype. The difference between helping and selling is just two letters. But those two letters are critically important to the success of business today. Youtility is marketing so useful, people would pay for it. It's a new marketing model for the age of information overload.

Youtility

Although the term "youtility" is a tad cutesie for my literary palate, it does correctly stress two key concepts: customer-centrism, and, usefulness. According to Jay Baer, "Instead of marketing that's needed by companies, Youtility is marketing that's wanted by customers."
