Zero To Maker Learn Just

The tagline should have been "learn how to learn (just enough) to make (just about anything). Still, it was an interesting read and as a maker, I recognized many of the same growing pains and feel better that it wasn't just me.

Zero to Maker: Learn (Just Enough) to Make (Just About ...

While not exactly what I was anticipating, Zero to Maker is an excellent introduction to just what the Maker subculture/movement is all about, with a decent top-level overview of how to get involved if you're interested. What I had hoped for was something more akin to a basic reference manual/starter textbook on the techniques and tools discussed.

Zero to Maker: Learn (Just Enough) to Make (Just About ...

"Zero to Maker" is a true beginner's guide to the topic of the Maker Movement. It is less than 250 pages, and you can read the book cover-to-cover in only a few hours, so that should give you an idea of it's depth - it's shallow to say the least.

Zero to Maker: A Beginner's Guide to the Skills, Tools ...

Together with the folks at Maker Media, we've put together a 30-Day Zero to Maker Program that gives you just enough information to get up and running. It's all done online and over email with us. Think of it like a personal trainer for starting your new maker habit.

Zero to Maker

In "Zero to Maker" Author David Lang shares his story on how he lost his job, entered the Maker world, and started OpenROV - a DIY community. Lang provides advice for designers and aspiring inventors on how to navigate the Maker world, how to find the best making resources and how to equip yourself with the skills to become a maker in your own right.

The book follows author David Lang's headfirst dive into the maker world and shows how he grew from an unskilled beginner to be a successful entrepreneur. You'll discover how to navigate this new community of makers, and find the best resources for learning the tools and skills you need to be a dynamic maker in your own right.

Make: Zero to Maker, 2nd Edition - PDF

In the maker movement, the art of collaboration is the key to innovation and productivity. The Zero To Maker book will be no different. It's going to be a team effort. For those interested in learning more (or want to share with the non-makers in their life), be sure to get in on the Kickstarter campaign

ZERO TO MAKER: A Re-Skilling Guide for New Makers by ...

As a first step on my journey from "Zero to Maker," I spent a lot of time thinking about who I was going to spending time with, and more importantly, how I was going to convince them to let me hang out! After a cursory search for people to meet in my area (San Francisco), many of the signs pointed to Make: SF, a monthly Meetup group that offers, in their own words, "an opportunity to get ...
